**PRECISION HEAT AND CONTROL**

## SRL Heating Cable

**SRL5 1CT 120V** (5 output watts per foot, 120V, standard tinned-copper metallic braid for ground path, fluoropolymer corrosion resistant overjacket over braid for hostile/corrosive environments)

**SRL5 2CT 208/277V** (5 output watts per foot, 208-277V, standard tinned-copper metallic braid for ground path, fluoropolymer corrosion resistant overjacket over braid for hostile/corrosive environments)

**SRL8 2CT 208/277V** (8 output watts per foot, 208-277V, standard tinned-copper metallic braid for ground path, fluoropolymer corrosion resistant overjacket over braid for hostile/corrosive environments)

**\*Cable is sold in 1' increments or a 500' roll**

## Connection Kits

**PCN 393553**

### PCN 393553 - UPC single entry power connection kit

Kit includes:

- 1 Junction box with DIN rail & terminal block
- 1 Compression fitting
- 1 Locknut
- 1 Silicone termination boot
- 1 Pipe standoff
- 1 O-ring
- 1 Self-regulating cable grommet
- 1 Constant wattage cable grommet

**PCN 393561**

### PCN 393561 - UMC multiple entry connection kit

Kit includes:

- 1 Junction box with DIN rail & terminal block
- 1 Compression fitting
- 1 Locknut
- 3 Silicone termination boots
- 1 Pipe standoff
- 1 O-ring
- 1 Self-regulating cable grommet
- 1 Constant wattage cable grommet
- 1 Self-regulating cable grommet insert
- 1 Constant wattage cable grommet insert

**PCN 393570**

### PCN 393570 - UES above insulation end seal kit

Kit includes:

- 1 End cap
- 1 Pipe standoff
- 1 Self-regulating cable grommet
- 1 Constant wattage cable grommet
