

# MARINA PRODUCTS

**Midwest Electric** offers a complete line of metered and unmetered power outlets for marina applications. All Midwest marina power outlets utilize corrosion-resistant, grounding & locking-type receptacles, with individual circuit breaker protection, enclosed in a single, easy-to-install enclosure. The different styles of construction in the products we manufacture include:

- . non-metallic power centers: DockPro, Dockmaster & Dockmate
- . metallic power-centers: Dockhand, featuring galvanized steel construction

## DOCKPRO

- Thermoplastic NEMA 3R enclosure with aluminum extrusion frame
- Power, phone & TV under same door
- 360 degree fluorescent or incandescent lighting for better visibility
- Electronic metering option
- Water shroud is included
- UL & CUL listed

## DOCKHAND

- Compact, durable & economical
- Painted galvanized steel
- Post or surface units
- Post available with loop feed lugs
- Metered or Unmetered
- UL & CUL listed

## DOCKMASTER

- Injection molded GE thermoplastic
- Power, phone & TV under same door
- Energy saving fluorescent light
- Electronic shroud option
- Water shroud option
- Crisp, clean appearance
- UL & CUL listed

## DOCKMATE

- Power center for Dockbox, surface or pedestal
- Injection-molded GE thermoplastic
- Electronic metering option
- Water shroud option
- Energy saving fluorescent light & photocell
- UL & CUL listed
